

Turn around it's criminal
When you see me tremble
Oh you're on a mission
Inside the situation
And you're looking at the pieces
Shiver Xing
Shiver
Shiver Xing
Shiver
Shiver X
Really got to break though
Shiver Xing
Really got to come around
When are you going to learn
When are you going to see
When are you going to be over you over you
Half my thoughts lie open
When are you going to love
What are you going to give
When you feel suspended
Inside the situation
When you see me tremble
Shiver Xing
Shiver
Shiver Xing
Shiver
Shiver X
Really got to break though
Shiver Xing
Really got to come around
Really got to come around
When are you going to learn
When are you going to see
When are you going be over you over you
Half my thoughts lie open
When are you going to love
What are you going to give
Half my thoughts lie open
Over you over you
My thoughts lie open
Coming round to get you
Go a little further
Inside your premonition
When you see me tremble
And you're pressing all the buttons
Over you over you
