

## Soul creeper

Collide

Soul creeper  
Soul meter  
Soul frequency and you sooth them  
Soul meter  
Soul keeper  
I'll sleep when I'm through  
You might think I'm coming down again  
You might say your coming through  
You might think I'm coming down again  
You might say your coming through  
Soul creeper  
Soul creature  
I'll get some release  
So frequent,  
Soul frequency  
Sooth them  
You might think I'm coming down again  
You might say your coming through  
You might think I'm coming down again  
You might say your coming through  
So speak then soul creature  
So speak when you need  
So frequent  
Soul frequency  
Soul creature Soul meter  
I'm coming through  
I'll get some release  
I'm coming through  
I'll get some release
