The Lunatics Have Taken Over The Asylum

Collide

I see a clinic full of cynics Who want to twist the peoples' wrist They're watching every move we make We're all included on the list

The lunatics have taken over the asylum The lunatics have taken over the asylum

No nuclear the cowboy told us
And who am I to disagree
'cause when the madman flips the switch
The nuclear will go for me

The lunatics have taken over the asylum The lunatics have taken over the asylum

I've seen the faces of starvation
But I just can not see the points
'cause there's so much food here today
That no one wants to take away

The lunatics have taken over the asylum The lunatics have taken over the asylum

The lunatics have taken over the asylum - take away my right to choose

The lunatics have taken over the asylum - take away my point of view

The lunatics have taken over the asylum

The lunatics have taken over the asylum - take away my dignity,

Take these things away from me

The lunatics have taken over the asylum

The lunatics have taken over the asylum - take away my family,

Take away the right to speak

The lunatics have taken over the asylum take away my point of view,

Take away my right to choose
