

## Chasing Renee

Collin Raye

I wake up every weekend late  
Spent the night with her in bed in my head  
Guess I gotta finish for rejection  
Won't believe a single no she said  
I've tried to change her mind to no avail  
She tells me to get lost or I'll end up in jail

But all I really wanna do is chase Renee  
All I really wanna do is chase Renee  
She's never even given me the time of day  
But that's okay  
I know she's never gonna be my girl someday  
But all I wanna do is chase Renee

I drove up in my piece of junk  
Her 430 was nowhere in sight  
Her girlfriend told me that she moved to Boston  
To clear ahead and start a whole new life  
You know I'd planned a trip there anyway  
Nothing I've like more to do  
Than see the Red Socks play

'Cause all I really wanna do is chase Renee  
All I really wanna do is chase Renee  
She's never even given me the time of day  
But that's okay  
I know she's never gonna be my girl someday  
But all I wanna do is chase Renee

Don't know why I gotta be so late  
Got no pride, got no shame  
If she could see past my abnormal side  
Maybe then she wouldn't have to run and hide

All I really wanna do is chase Renee  
All I really wanna do is chase Renee  
All I really wanna do is chase Renee  
She's never even given me the time of day  
But that's okay  
I know she's never gonna be my girl someday  
But all I wanna do is chase Renee  
All I really wanna do is chase Renee  
All I really wanna do is chase Renee
