

## Divine Everlasting Love

Collin Raye

It's four o'clock in the morning  
And without any warning  
Phone rings on the nightstand  
The world stops for a moment  
It's daddy's baby girl calling  
Can't stop the tears from falling  
Coming down from a one night stand  
Daddy just doesn't understand

'Cause she's so amazing  
Such a beautiful lady  
And all that she wants  
Is what every girl wants  
Divine everlasting love

Two years of college she wasted  
These days she works as a waitress  
Spends her nights in a rock 'n' roll bar  
[?] to the silence [?] guitar  
Drowns out the thousand [?] voices  
Of all her mistakes and bad choices  
Still she keeps searching and praying  
She'll find it sooner or later

'Cause she's so amazing  
Such a beautiful lady  
And all that she wants  
Is what every girl wants  
Divine everlasting love, whoa-whoa  
Why does it take so long, whoa-whoa  
For something that's meant to be?

She's so amazing  
Such a beautiful lady  
And all that she wants  
Is what every girl wants  
Someone to hold her  
A [?]  
And see her the way her daddy does  
With divine everlasting love, oh  
Divine everlasting love  
Divine everlasting love  
Divine everlasting love  
Divine everlasting love
