I Love Being Wrong

Collin Raye

I was absolutely certain, I'd made up my mind
I'd never fall for you, not in this lifetime
You said I was mistaken, I'd be yours in the end
I never thought it could happen but baby, you win

And I love bein' wrong when it feels like it feels tonight
I'd a whole lot rather be here in your arms than be right
Now that we're together, I wish I hadn't waited so long
I'm findin' out how much I love bein' wrong

Under normal circumstances, I think I know my stuff
But the rules all change when it comes to love
It's the last thing I expected, now it's all that I want
Just in case you're feelin' guilty, baby, don't

'Cause I love bein' wrong when it feels like it feels tonight
I'd a whole lot rather be here in your arms than be right
Now that we're together, I wish I hadn't waited so long
I'm findin' out how much I love bein' wrong
Girl, I lovin' you

'Cause I love bein' wrong when it feels like it feels tonight
Yeah, I'd a whole lot rather be here in your arms than be right
N-n-now that we're together, I wish I hadn't waited so long
I'm findin' out how much I love being wrong
I'm findin' out how much I love being wrong

Girl, I love bein' wrong
You make me love bein' wrong
You make me love bein' wrong
'Cause I love bein' wrong
I love bein' wrong

You make me, you make me love bein' wrong
