

# Love Remains

Collin Raye

We are born one fine day  
Children of God on our way  
Mama smiles daddy cries  
Miracle before their eyes  
They protect us til' we're of age  
Through it all love remains

Boy moves and takes a bride  
She stands faithful by his side  
Tears and sweat they build a home  
Raise a family of their own  
They share joy they share pain  
Through it all love remains

Kingdoms come and go they don't last  
Before you know the future is the past  
In spite if what's been lost  
What's been gained we are  
Living proof love remains

I don't know baby what I'd do  
On this earth without you  
We all live we all die  
We don't know the reason why  
In the end nothing's changed  
Life goes on love remains  
In the end it stays the same  
Life goes on love remains
