Marie

Collin Raye

You looked like a princess the night we met
With your hair piled up high
I will never forget
I'm drunk right now baby
But I've got to be
Or could I never tell you
What you meant to me

I loved you the first time I saw you
And I always will love you Marie
I loved you the first time I saw you
And I always will love you Marie

You're the song that the trees sing when the wind blows
You're a flower, you're a river, you're a rainbow
Sometimes I'm crazy, but I guess you know
And I'm weak and I'm lazy, and I've hurt you so
And I don't never listen to a word you say
When you're in trouble sometimes I just turn away

But I love you and I loved you the first time I saw you
And I always will love you Marie
I loved you the first time I saw you
And I always will love you Marie
