Somewhere In My Broken Heart

Collin Raye

You made up your mind It was time It was over After we had come so far I think theres enough pieces of forgivness Somewhere in my broken heart I would not have chosen The road You have taken It has left us miles apart I think I can still Fnd the will To keep going Somewhere in my broken heart So fly Go ahead and fly Till you find out who you are And I I will keep my love unspoken Somewhere in my Broken heart I hope that in time You will find What you long for Love thats written in the stars When you finally do I think you will see it's Somewhere in my broken heart Girl I I will keep my love unspoken Somewhere in my broken heart I hope that in time You will find What you long for Love thats written in the stars When you finally do I think you will see it's It's somewhere in my broken Somewhere in my broken Somewhere in my broken heart
