

# Freedom

Colony 5

Why can't I understand you, you made me believe  
You showed me how to live, but now you make me feel so sad  
For something I did ages ago, I didn't mean to hurt you

I'm trying to make this heal, don't look down on me  
See me as I am, I'm letting you go free  
I'm letting you go free

Sometimes I hear you cry, if you could only trust me  
I will help you through, will you accept my words  
It's a promise.

I'm trying to make this heal, don't look down on me  
See me as I am, I'm letting you go free  
I'm letting you go free
