Caught Me by Surprise

Colony House

When I was younger
Everything seemed simple
When I was younger
Everything felt right
Well I had to grow up
Had to move on
Had to find out how to let love go
How to let love go

You caught me by surprise again
You caught me by surprise again
You caught me by surprise
This love, this life
You caught me by surprise, again

I was a young man when I fell in love
I was a young man who had never lost someone
Well I had to grow up
Had to move on
Had to find out how to let love go

You caught me by surprise again
You caught me by surprise again
You caught me by surprise
This love, this life
You caught me by surprise, again

If this type of love is what you want
Then you can take it
Just know it hurts so when it hurts so bad
You gotta let it go

You caught me by surprise again
You caught me by surprise again
You caught me by surprise
This love, this life
You caught me by surprise, again

Would you walk for miles in the rain
Could you fight a battle with the pain
If life begins to fade will you remain?
Leaving and escaping aren't the same

Would you walk for miles in the rain
Could you fight a battle with the pain
If life begins to fade will you remain?
Leaving and escaping aren't the same

Would you walk for miles in the rain
Could you fight a battle with the pain
If life begins to fade will you remain?
Leaving and escaping aren't the same
