

Do You Ever Feel

Colony House

Meet me at the corner church
Where everything started back when
We were all kids full of ideas
Chasing all our dreams down the interstate
Let's drive into the city
And count up all these buildings
Then name them after problems
We never saw existing

(Do you ever feel, do do you ever feel like)
Ever feel like you're out of time?
(Do you ever feel) Like you're losing touch?
(Do you ever feel) Like it just doesn't mean enough?
(Do you ever feel, do do you ever feel like)
Ever feel like I do, I do?

Call me when you get my message
I'm sorry that it's taken so long
But you know how life goes
It's faster when you're older
Let's go bend an elbow when you're home
And laugh about the river
Or complain about the news
We can cry about your mother
And everyone else that we lost too soon

(Do you ever feel, do do you ever feel like)
Ever feel like you're out of time?
(Do you ever feel) Like you're losing touch?
(Do you ever feel) Like it just doesn't mean enough?
(Do you ever feel, do do you ever feel like)
Ever feel like I do, I do?

Like I do, I do
Like I do, I do

(Like I do, I do)
(Like I do, I do)
(Do you ever feel like)
(Like I do, I do)

Like I do, I do
Like I do, I do
Do you ever feel like
Like I do

Oh, do you ever feel like, do you ever feel like
Like you're out of time?

Do you ever feel, do you ever feel like
Like you're losing touch?
Like it just doesn't mean enough?
Like I do, I do
