

# Control

## Colorblind

(Oh)  
Which way to climb?  
I will never know  
(Oh)  
'Cause I was the one  
Under your control

And I know you're faking  
'Cause you fake me out so well  
And you know that I can't stand it  
When I ask and you don't tell  
And I can't stand it  
How you look right at me  
And lie straight to my face  
Erase it  
From my mind  
Just like the last time

It's all in my head  
I gotta get it out-out-out-out-out-out-out  
I'm biting my tongue  
Every word from my mouth  
But you can't stop me now

(Oh)  
Which way to climb?  
I will never know  
(Oh)  
'Cause I was the one  
Under your control  
I say it all the time  
But you never hear me o-o-out  
All you do is talk about  
How I will never change (Oh)  
'Cause I was the one  
Under you control

I know you hate this  
'Cause you make it feel like hell  
You played me like a heist  
How did you pull it off so well?  
Just like you planned it  
Did you know what your were getting into?  
Damage  
All to hell  
I hope you get what you deserve

It's all in my head  
I gotta get it out-out-out-out-out-out-out

(Oh)  
Which way to climb?  
I will never know  
(Oh)  
'Cause I was the one  
Under your control  
I say it all the time

But you never hear me o-o-out  
All you do is talk about  
How I will never change (Oh)  
'Cause I was the one under you control

And I'm so done with it  
Lay it all to rest  
I don't need your clarity  
I'm better on my own  
And I'm so done with you  
And everything we've been through  
Just take back the

Just like you planned it  
Did you know what your were getting into?  
Damage  
All to hell  
I hope you get what you deserve

(Oh)  
Which way to climb?  
I will never know  
(Oh)  
'Cause I was the one  
Under your control  
I say it all the time  
But you never hear me o-o-out  
All you do is talk about  
How I will never change (Oh)  
'Cause I was the one under you control
