

Ghosts

Colorblind

Uh-uh yeah uh

Coming down on me like rain
Enough to make me go insane
Watching the way you changed
Isn't this such a shame?
I can feel you getting closer
Looking over my shoulder
Feel the room getting colder
Wish you could've grown older

I still believe in ghosts
Wishing this spirit had bones
I guess I'll never grow up, I'll never let you go
How could they take your soul?
I don't wanna know, I don't wanna know

(I don't wanna know, I don't wanna know)

I just wanted to know yuh
You were taken away, yeah
Do you know we adored yuh?
Nothing we would've changed
I can feel you getting closer
Angel on both of my shoulders
And the room never colder
On my mind like a boulder

I still believe in ghosts
Wishing this spirit had bones
I guess I'll never grow up, I'll never let you go
How could they take your soul?
I don't wanna know, I don't wanna know

Uh-uh yeah yeah

Coming down on me like rain
Enough to make me go insane
Watching the way you changed
Covered in all of this pain-ain-ain

I still believe in ghosts
I still believe, I still believe
I still believe in ghosts, I still believe
