

Letdown

Colorblind

Don't waste my time
When I need you, your silent
So I'm leaving tonight
I can't look you in the face, nothing left to say
You're crying even though you never felt the same
Don't wanna believe you are the missing piece
I hate that without you I'm incomplete

It's so hard to trust myself
Know I gotta break free from your spell

I don't wanna let go of what you meant to me
But you always leave me let down, let down
I'm at the end of my rope
I shoulda said no and faced reality
'Cause you always leave me let down, let down
I'm at the end of my rope, oh

No wonder I've grown so tired
Losing every war that I'm fighting, yeah
And now I feel so defeated cause you're tearing me apart
I hate the way that you play dumb
And all the lies that you make up
I'm so sick of this fake love

I don't wanna let go of what you meant to me
But you always leave me let down, let down
I'm at the end of my rope
I shoulda said no and faced reality
'Cause you always leave me let down, let down
I'm at the end of my rope

I'm at the end of my rope

Can't look you in the face, nothing left to say
You're crying even though you never felt the same
Don't wanna believe you are the missing piece
I hate that without you I'm incomplete

I don't wanna let go of what you meant to me
But you always leave me let down, let down
I'm at the end of my rope
I shoulda said no and faced reality
'Cause you always leave me let down, let down
I'm at the end of my rope, oh
