

Motionless

Colorblind

Motionless
Motionless
Motionless
I feel, I feel
Motionless

We still deny the things we hide
Inside ourselves
Cut the ties, I'm running blind
Inside this hell

Crawling my way out this hole you've put me in
Can we do it again?

The walls are caving in
I feel like I can barely breathe
I think I'll just pretend this isn't killing me
Fake it, fake it like I know it's real
The walls are caving in
I feel, I feel
Motionless
Motionless

I don't know how I'm down and out
It seems like every day
I can't get out the lights and sounds
It's all the same

Crawling my way out this hole you've put me in
Can we do it again?

The walls are caving in
I feel like I can barely breathe
I think I'll just pretend this isn't killing me
Fake it, fake it like I know it's real
The walls are caving in
I feel, I feel

Can you listen to one word
Just one word out my mouth
Can you listen to one word
Just one word out my mouth

Motionless

The walls are caving in
I feel like I can barely breathe
I think I'll just pretend this isn't killing me
Fake it, fake it like I know it's real
The walls are caving in
I feel, I feel
Motionless
Motionless

Motionless

I feel, I feel
