

Safehouse

Colorblind

Take me to the safe house, safe house
Tell me that we're safe now, safe now
(Safe house, safe house, safe house)

Tell me, "Is this the end?" (The end)
As I watch my world burn (World burn)
Replace everything we left (We left)
Even though it hurts (Even though it hurts)
I light one last cigarette (Cigarette)
But I'm making it worse (Worse)
I got ashes in my chest, and on my shirt

Take me to the safe house, safe house
Tell me that we're safe now, safe now
It's gettin' harder to breathe here, I don't wanna die
How could I leave here and keep us alive?
Take me to the safe house, safe house
Are we safe now?

Tell me that we're safe now

Been watching the fires so long
I was startin' to hope for the rain (Hope for the rain)
Look at me now, been tryin'
I'm all trained to put out the flames (Put out the flames)
They thought that the physical
Only way that you could die in this life (Die in this life)
But I'm watchin' a piece of myself that I love fall apart and it feels like
The arson is just the optimist to you
Burnin' down when I tried to fix it, I (Ooh)
Think I'm runnin' outta oxygen, my God
It's like keeping all the slip, and I'll let you in close 'til I feel it aga
in (No)
Hoping for some kind of break in the clouds
The fuck was I thinking? I know what you're doing
Don't tell me I'm okay, just take me to the

Take me to the safe house, safe house
Tell me that we're safe now, safe now
It's gettin' harder to breathe here, I don't wanna die
How could I leave here and keep us alive?
Take me to the safe house, safe house
Are we safe now?

Ooh, I can't leave it all behind
It's still burning in my mind
There's nowhere else for us to hide, and I'll sit high
And all of this wreckage is in the way of our exit
Mirrors in every direction
Just trying to find a shutting for you and I

Take me to the safe house, safe house
Tell me that we're safe now, safe now
It's gettin' harder to breathe here, I don't wanna die (Don't wanna die)
How could I leave here and keep us alive?
Take me to the safe house, safe house
Are we safe now?
