Behold
G **Fmaj7**
The birds are flying south tonight
C
You're cold
G **Fmaj7**
And the weather changes overnight
C
Dont' withhold
G **Fmaj7**
You see your life was set up for you to watch
C
And how cruel
G **Fmaj7**
You see your expectations will never match
They'll never match

C **Fmaj7**
And you know that you gotta go
C **Fmaj7**
And you know that you gotta go
C **Fmaj7**
And you know that you gotta go
C **Fmaj7**
And you know that you gotta go
