It's always you

Colorfactory

```
G   D   Emi  G

D           Emi
After all this
G       D       Emi
how can we still be friends
D       Emi
cut me a break
G       D           Emi
i'm not trying to fool anyone

D           Emi
You know you know
            G
you never feel that way anyway at all
D           Emi
you know you know
            G
you never do the things
                A
that you say you know

A           Hmi         G
and it's only you you you you
A           Hmi
and it's only you you
G
it's always you
        A
you know

D           Emi
After all this
G       D       Emi
how can we still be friends
D       Emi
cut me a break
G       D       Emi
i'm not trying to fool anyone

D           Emi
You know you know
            G
you never feel that way

anyway at all
you know you know
you never do the things
that you say
you know

And it's only you you you you
and it's only you you
it's always you
you know
```
