

## Bad Beer

Colt Ford

I had a bad truck that broke down  
Had a bad girl that ran around  
Had a bad reputation in two-minute two-lane towns  
Had some bad luck with blackjack  
Had a bad headache from drunk Jack  
Took a bad shot on a whitetail with a record rack

But I ain't never had a bad beer  
No, I ain't never had a bad buzz  
No, man, I ain't never unlocked a YETI twist top  
Of one that wasn't cold enough  
I ain't never had a bad time  
Can or bottle, it don't matter what kind  
I've had enough to tell you 'round here  
No, I ain't never had a bad beer

I heard some bad lines in this bar  
Threw a bad week in a tip jar  
Heard a bad cover band do a number, man  
On some "Achy Breaky Heart"

I ain't never had a bad beer  
No, I ain't never had a bad buzz  
No, man, I ain't never unlocked a YETI twist top  
Of one that wasn't cold enough  
I ain't never had a bad time  
Cans, bottles, it don't matter what kind  
I've had enough to tell you 'round here  
No, I ain't never had a bad beer

Koozied-up Bulldog tailgatin'  
Shotgun with some spring break crazies  
Raise 'em up to some left-turn racin'  
And all our friends in low places

I ain't never had a bad beer  
No, I ain't never had a bad buzz  
No, man, I ain't never unlocked a YETI twist top  
Of one that wasn't cold enough  
I ain't never had a bad beer  
No, I ain't never had a bad buzz  
No man, I ain't never unlocked a YETI twist top  
Of one that wasn't cold enough  
No, I ain't never had a bad time  
Can or bottle, it don't matter what kind  
I've had enough to tell you 'round here  
No, I ain't never had a bad beer, bad beer

I ain't never had a bad beer  
Nah, I ain't either son  
You got any left in there, Colt?  
Go on, get you one or six there, big daddy  
Boogity boogity  
Let's go drinking
