

## Nothing In Particular

Colt Ford

Man, been workin hard all week  
Monday to friday  
Today, I guess I'm just goin do uh...  
Man I guess I'm goin do nothing in particular  
Anybody wants to come do that with me  
Ya'll are welcome, c'mon

Nothing in particular, and I'm doin it all day long, a hot grill and a cooler of beer and a CD of my favorite songs, a lotta nothing in particular and I do it well, so much of nothing on the schedule now, and I'm invitin' all of ya'll to help

Ain't doin nothing in particular just livin my life, I thank the lord for my friends, family, youngin's, and wife, another day in the country and it sure feels good, ain't no hustle and bustle out here in the woods, just a lot of good folks, a lot of hard work, a whole lot of love for the man above, everyday is a blessing I'm above the ground, around here folks wave when you ride through town, ain't got no schedule for myself to do, might fire up the grill, or play some horseshoes, wherever im at is right where ill be, so load up your trucks, and come hang with me, I'm doin...

Now ya'll listen up, cuz I'm a tell you the truth, that there aint nothing better than jeans and boots, ridin' in a truck on an old dirt road, and crankin' up Waylon on the radio, knowin' that tomorrow may or may not come, but today is all good out here in the woods, life in the country is a blessin' ya'll, eat in' deep fried turkey with some dressin' ya'll, there aint no reason for stressin' ya'll, just do what I do, and yall gonna have a ball, so dont take no plans on this here day, when they ask you what your doin, this is what you say  
just livin' and lovin', laughin' and thankin' god for the day, what else can I say, so load up your truck and come hang with me, I'm doin nothing in particular, ya'll come see, I'm doin...
