

# Riverbank

Colt Ford

I'ma smoke a little smoke, I'ma drink a little drink  
I'ma laugh all the way to the riverbank  
I'ma smoke a little smoke, I'ma drink a little drink  
I'ma laugh all the way to the riverbank  
Hahaha, jokes on y'all  
Hahaha, jokes on y'all  
But the drinks is on us, hey

I walk in, where the women at? I tip my hat  
I tip 'em in the back too if they into that  
Queens seeing where their friends are at, they got a few of 'em  
We left the bar, hit the barn with a slew of 'em  
Well, hell now, we got a shindig  
Haters, I don't need Vegas to win big  
And I'm somebody you should know  
We party like the Superbowl till the rooster crows  
Here we go, everybody pile in  
Round here the chatter hoot just like an island  
Sun's hot, beer's cold, the sky's blue  
And we can see them bathing suits through them Daisy Dukes

I'ma smoke a little smoke, I'ma drink a little drink  
I'ma laugh all the way to the riverbank  
I'ma smoke a little smoke, I'ma drink a little drink  
I'ma laugh all the way to the riverbank  
Hahaha, jokes on y'all  
Hahaha, jokes on y'all  
But the drinks is on us, hey

You got a mighty hick, I'm whitey out the Georgia pines  
Y'all out to win and God, Scramn where he doing fine  
See he been laying in the cup but still he on the grind  
I said jump up on this bead it's time for you to shine  
Speaking of 'shine, brought a few jugs with me  
Speaking of rhymes, brought a few bars with me  
We rolling deep in these trucks, I got that haystack banging  
Still ain't giving a fuck, got them truck nuts hanging, but uh  
Back to the riverbank, laughing all the way there  
Big booty girls, they all on their way there  
Too lit to get, don't worry we can stay there  
Jokes on y'all, sorry we don't play fair

I'ma smoke a little smoke, I'ma drink a little drink  
I'ma laugh all the way to the riverbank  
I'ma smoke a little smoke, I'ma drink a little drink  
I'ma laugh all the way to the riverbank  
Hahaha, jokes on y'all
