

Something I Can Get Behind

Colt Ford

Girl, house I just bought rent is all picket signs, opinions, and politics
But me, I ain't no activist
I just came here to drink a bit and kick back a bit
But I must confess that your Friday night dress gets me fired up like never
before
You're changing my stance with the way that you dance, I won't lie, you've g
ot my full support

Oh, keep shaking your bacon and breaking it down to the ground to the sound
of the beat then bring it back to me
Oh, don't stop pobbin' and lockin' and droppin' my jaw
Lookin' all, feelin' all, got me like, see that booty
Girl, I swear it's evident you're the bunkin' run for president
No joke, you get my vote every time
I'm a simple man with a simple view, right now
It's Bernstein lookin' at you, makin' it move from side to side
I'm a simple man with a simple view, right now
It's Bernstein lookin' at you, makin' it move from side to side
That's somethin' I can get behind
Girl, you're somethin' I can get behind

I can get behind you in your blue jeans, walkin' through my door
Or a two-piece alone on the beach, yeah, that's worth fightin' for
I can get behind the steering wheel, take you down the backroad
Girl, we can stick it in parkin' and ticketin' if that's where you wanna go

Oh, keep shaking your bacon and breaking it down to the ground to the sound
of the beat then bring it back to me
Oh, don't stop pobbin' and lockin' and droppin' my jaw
Lookin' all, feelin' all, got me like, see that booty
Girl, I swear it's evident you're the bunkin' run for president
No joke, you get my vote every time
I'm a simple man with a simple view, right now
It's Bernstein lookin' at you, makin' it move from side to side
I'm a simple man with a simple view, right now
It's Bernstein lookin' at you, makin' it move from side to side
That's somethin' I can get behind
Girl, you're somethin' I can get behind

Hey girl, would you stay low
Would you take a lay low
Drive till there ain't no gas in the tank
Let me show you off right, put you in the spotlight
Keep it on lock like cash in the bank

Oh, keep shaking your bacon and breaking it down to the ground to the sound
of the beat then bring it back to me
Oh, don't stop pobbin' and lockin' and droppin' my jaw
Lookin' all, feelin' all, got me like, see that booty
Girl, I swear it's evident you're the bunkin' run for president
No joke, you get my vote every time
I'm a simple man with a simple view, right now
It's Bernstein lookin' at you, makin' it move from side to side
I'm a simple man with a simple view, right now
