

# Let's All Help The Cowboys (Sing The Blues)

Colter Wall

Cowboys they are ladies men alright  
They can love 'em up and talk 'em up all night  
But they're lonely when there's nothin' else to do  
That's what makes the cowboys sing the blues

He does a little Waddie and he sings  
He plays the mandolin and other things  
He looks for love, beauty and IQ  
That's what makes the cowboys sing the blues

Cowboys have to fall in love, get hurt and all that bit  
Let their hearts hang out, so they can write you all a hit  
So ladies if they ask you don't refuse  
Let's all help the cowboys sing the blues

Cowboys they don't ever understand  
This thing between a woman and a man  
Until they love the one they always lose  
That's what makes the cowboys sing the blues

Cowboys have to fall in love, get hurt and all that bit  
Let their hearts hang out, so they can write you all a hit  
So ladies if they ask you don't refuse  
Let's all help the cowboys sing the blues
