

Down

Colton Dixon

Sometimes it's hard to see what is in front of me
I need a hand to pull me from the shadows
No shackles on my feet, they're just a memory
I need Your strength to rise above the shallows

I've walked through fire and weathered pain
Felt emotion like a hurricane
There's gotta be a better way
Hear me when I say

I was a wreck
Oh, I was shattered and bruised
Then You tore down the dark
And Your love broke through
Down on my knees
'Cause I couldn't be found
Now I'm filled with Your peace
As Your love comes down
Down, down, down, down, down
Down, down, down, down, down

I was a broken man living in a broken land
Then You arrived, a love worthy to follow
I could've stayed in pain forever and a day
Then just in time, You filled up what was hollow

I've walked through fire and weathered pain
Oh, like a hurricane

I was a wreck
Oh, I was shattered and bruised
Then You tore down the dark
And Your love broke through
Down on my knees
'Cause I couldn't be found
Now I'm filled with Your peace
As Your love comes down
Down, down, down, down, down
As Your love comes down
Down, down, down, down, down

I was a wreck
Oh, I was shattered and bruised
Then You tore down the dark
And Your love broke through
Down on my knees
'Cause I couldn't be found
Now I'm filled with Your peace
As Your love comes down

I was a wreck
Oh, I was shattered and bruised
Then You tore down the dark
And Your love broke through
Down on my knees
'Cause I couldn't be found
Now I'm filled with Your peace

As Your love comes down
Down, down, down, down, down
As Your love comes down
Down, down, down, down, down

As Your love comes
Your love comes down
Down, down, down, down, down
