

# Unbreakable

Colton Dixon

When life feels like I'm stranded on the battlefield  
I'm confident that You will be my sword and shield  
And fear is like an enemy that brings me down  
But You alone empower me to stand my ground

'Cause look at me now, stronger  
Stronger 'cause of You  
Look at me now, a fighter  
It's all because of You

I've walked through fire and didn't burn  
Treaded some water, but I emerged  
Rose up like a dead man in the dirt  
That's when I learned I am unbreakable  
I am, I am  
I am unbreakable, unbreakable  
I am, I am  
I am unbreakable

Waking up, I'll live to fight another day  
The power of Your spirit is alive in me  
No matter what may come and what tomorrow brings  
My God, I know that I can get through anything

'Cause look at me now, stronger  
Stronger 'cause of You  
Look at me now, a fighter  
It's all because of You

I've walked through fire and didn't burn  
Treaded some water, but I emerged  
Rose up like a dead man in the dirt  
That's when I learned I am unbreakable  
I am, I am  
I am unbreakable, unbreakable  
I am, I am  
I am unbreakable

I can do all things, I can do all things  
I can do all things, I am unbreakable  
If You are for me, nothing can stop me  
I can do all things, I am unbreakable  
I am unbreakable

I've walked through fire and didn't burn  
Treaded some water, but I emerged  
Rose up like a dead man in the dirt  
That's when I learned I am unbreakable  
I am, I am  
I am unbreakable, unbreakable  
I am, I am  
I am unbreakable, I am unbreakable
