

You Are

Colton Dixon

When I can't find the words
To say how much it hurts
You are the healing in my heart

When all that I can see
Are broken memories
You are the light that's in the dark

You are the song
You are the song I'm singin'
You are the air
You are the air I'm breathin'
You are the hope
You are the hope I'm needin'

Wooooah
You are

And when my circumstance
Leaves me with empty hands
You're the provider of my needs

When all my dirtyness
Has left me helpless
You are the rain that washes me

You are the song
You are the song I'm singin'
You are the air
You are the air I'm breathin'
You are the hope
You are the hope I'm needin'

Wooooah

You are the song
You are the song I'm singin'
You are the air
You are the air I'm breathin'
You are the hope
You are the hope I'm needin'

Woooho

If I had no voice
If I had no tongue
I will dance for You
Like the rising sun

And when that day comes
I will see Your face
I will shout your endless glorious praise

If I had no voice
If I had no tongue
I will dance for You
Like a rising sun

And when that day comes
And I'll see Your face
I will shout your endeless glorious praise

You are the song
You are the song I'm singin'
You are the air
You are the air I'm breathin'
You are the hope
You are the hope I'm needin'

Woooho

You are the song
(You are the song)
You are the song I'm singin'
You are the air
(You are the air)
You are the air I'm breathin'
You are the hope
(You are the hope)
You are the hope I'm needin'

I'm singing Woooho
