

## Desolation's Plan

Coma Cinema

Your tiny hands don't understand  
Desolation's plan  
Unnatural feelings fill this room  
To take the natural part of you

And if I go too long  
Without hearing your voice  
Everything goes all wrong

Mornings are the worst  
Throwing up this bitter curse  
Of endless suffering  
For something not meant to be

And if I go too long  
Without hearing your voice  
Everything goes all wrong
