

# Her Sinking Sun

Coma Cinema

Torn apart from everyone  
Her sinking sun  
I watch it die

Took a sick day to bleed  
Inside something  
Not meant to be

You were so convincing  
In some heaven white  
I watch it die

Animals begging to eat  
They can't survive  
Not meant to be

Flowers of skin and bone  
We're all alone  
Waiting to die

Take me from this evil place  
In your twisting arms  
Not meant to be

Water rushes through my heart  
It's torn apart  
By your trusting eyes

Sickening bodies tied  
To easy lies  
Not meant to be
