

## Only

Coma Cinema

Rest my head on the wall outside  
As my pain waits to die  
I can only get so high  
I can only get so high  
Until it feels right to die

Time survives in my bad luck  
Too bored to give a fuck  
I can only get so high  
I can only get so high  
Until it feels right to die

Why give up?  
Why should I try?  
Our love is an honest lie  
We can only get so high  
We can only get so high  
Until it feels right to die
