

## Perplexing Little Halfway House

Coma Cinema

Spent a long time underground  
Spent a long time left along time  
A shining devil held me down  
For such a long time

Have self control, control yourself  
Have self control, control yourself  
Have self control, control yourself  
It's been a long time since you took your pills  
Do you still remember the taste?

Perplexing little halfway house  
Halfway inside a deep grave  
The traffic lights all night all alone  
Go red and green for no one, no

Have self control, control yourself  
Have self control, control yourself  
Have self control, control yourself  
It's been a long time since you took your pills  
Do you still remember the taste?
