

Satan Made a Mansion

Coma Cinema

Caving to a feeling
Cave in to my mind
Satan made a mansion
For our love to live when it dies

Confess me to a graveyard
Quit fucking with my mind
Hold me for forever
Eyes prettier than suicide

Caving to a feeling
Cave in to my mind
Satan made a mansion
For our love to live when it dies

Fuck me in the graveyard
Confessions always in my mind
Keep them for forever
Eyes prettier than suicide
