

Stoned Alone

Coma Cinema

I take it easy
Get high and die
Death is whatever
Same goes for life

I don't believe in what I believed in for such a long time
I don't believe in what I believed in for such a long time

I feel so easy
Stoned and alone
Heaven is boring
Hell is my home

I don't believe in what I believed in for such a long time
I don't believe in what I believed in for such a long time
