

Veins (Catching a Train)

Coma Cinema

Veins
Catching a train
My bliss I hold like a hidden blade
Veins
Wild acid rain
Worship the drain it's encircling

Sane
Solemn and brave
The year of the dog in Autumn's haze
Sane
All rearranged
The maze in myself is always changing

Wane
Stay at my throat
Sing note for note what the dull ember wrote
Wane
My pressed pill moon
The self as a tomb sheltering pure blue

Veins
Catching a train
Rot through the floor
A million more one mores

Veins
Life on the run
Set for the sun
Eternities no fun
