

# Fuck That Shit

Combichrist

Don't tell me how to talk or way to live my life  
Fuck that shit, fuck that shit  
Every time I'm right a little part of you die  
Fuck that shit, fuck that shit  
Should I ever be punished for crossing the line?  
Fuck that shit, fuck that shit  
It was made for those who can't think for themselves  
Fuck that shit, fuck that shit

(A little part of you) DIE! (16x)

You keep judging my process, never what I think  
Fuck that shit, fuck that shit  
I'm just a drowning maggot in your world of life  
Fuck that shit, fuck that shit  
You pretend to be god, you try to fuck me in the end  
Fuck that shit, fuck that shit  
Consequence, I'll fucking shoot you in the head  
Fuck that shit, fuck that shit

(A little part of you) DIE! (16x)

Revolt  
It's revolution  
Bring out the guillotine  
Revolt  
It's the final solution  
Bring out the guillotine

Fuck that shit, fuck that shit (4x)

(A little part of you) DIE! (16x)

Fuck that shit

Revolt  
It's revolution  
Bring out the guillotine  
Revolt  
It's the final solution  
Bring out the guillotine

(A little part of you) DIE! (8x)
