

Lobotomy

Combichrist

Pour me another whiskey
It's all gonna be alright
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Pour me another tall boy
I'm not gonna start a fight
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Pour me another whiskey
It's all gonna be alright
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Pour me another tall boy
I'm not gonna start a fight
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight

Pour me another whiskey
I'm sure it'll hurt tomorrow
Pour me another tall boy
I'm sure it'll hurt tomorrow

Just don't wanna hurt tonight
Just don't wanna hurt tonight

Pour me another whiskey
It's all gonna be alright
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Pour me another tall boy
I'm not gonna start a fight
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight

Just don't wanna hurt tonight
Just don't wanna hurt tonight
Just don't wanna hurt tonight
Just don't wanna hurt tonight

Just another lobotomy
Just killing the pain in me
Just another lobotomy
Just killing the pain in me

Pour me another whiskey
It's all gonna be alright
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Pour me another tall boy
I'm not gonna start a fight
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Don't wanna hurt tonight
Just don't wanna hurt tonight
Just don't wanna hurt tonight
Just don't wanna hurt tonight

Just another lobotomy
Just killing the pain in me
Just another lobotomy
Just killing the pain in me

Pour me another whiskey
It's all gonna be alright
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Pour me another tall boy
I'm not gonna start a fight
I'm sure it'll hurt tomorrow
Just don't wanna hurt tonight
Don't wanna hurt tonight
Just don't wanna hurt tonight
Just don't wanna hurt tonight
Just don't wanna hurt tonight

Just another lobotomy
Just killing the pain in me
Just another lobotomy
Just killing the pain in me

Just another lobotomy
Just killing the pain in me
Just another lobotomy
Just killing the pain in me
