

# No Redemption

Combichrist

Your body might be borrowed  
But your spirit cannot be saved

It's the end of the line  
End of the line

Standing clear of the world we have grown to know  
All we know is the lies that's all we are told  
All I want is a world we can learn to control  
It's the end of your gun, it's the end of the line

Your spirit's set on fire  
Feed the flames

It's the end of the line  
It's the end of the line no redemption  
It's the end of the line  
No redemption
