

## In-Between

Comeback Kid

No authority to wipe the smug face off this audacity  
It's on your side, are you on mine?  
Why is that what's meant to be?

Dismissed, disavowed  
Contesting what I found  
A blessing? A curse?  
Or something in-between?  
Gotta sell it to myself  
Before I deal with anyone else  
A blessing? A curse?  
Or something in-between?

Driving a phenomenon into fantasy  
Shouldn't have to look for it  
Speeding till I reach

Dismissed, disavowed  
Contesting what I found  
A blessing? A curse?  
Or something in-between?  
Gotta sell it to myself  
Before I deal with anyone else  
A blessing? A curse?  
Lost in the in-between

Lost in the in-between

Blessing or a curse?  
What is it worth?  
Blessing or a curse?  
What is? What is?

What is it worth?  
Ready to burst  
What is it worth?  
Ready to burst

No rest assured  
What  
What is it worth? (What is it worth?)  
What is? What is?
