Stone throwing trying to deface
Rally 'em up just to win the race
It's like a bad trip and I'm just holding tight
Slap my face. Am I dreaming tonight?
I think most, and most of all
We're reminded of when one takes the fall
It's just a bad string of these unfortunate
Events looping over you so

Throw it
Throw that stone
Throw it
Throw that stone

Throw that stone! Throw it!

Contain the rage set to explode
Hellbent or calm, shattered resolve
Contain the rage set to explode
Hellbent or calm, shattered resolve

Got resolve

Bad tripping, it's surrounding me Won't let it corner me

Contain the rage set to explode
Hellbent or calm, shattered resolve
Contain the rage set to explode
Hellbent or calm, shattered resolve
