

# 1 Deep

Comethazine

(You are now listening to a Bobby Johnson beat)

One deep (Bitch)  
But my gun big as a bitch  
Air Force 1's compliment the fit  
.556 split a nigga wig (Boom)  
Don't give a fuck what you would've did  
I'm a real doer, I just do this shit  
Like Nike, I just do this shit  
Kicked the ho out 'cause she said some stupid shit

All my bitches thick, don't know who to hit  
Fast and furious whip, I'm like Ludacris (Mmm)  
I'm like Ludacris, after I hit, I'm through with the bitch (Like that)  
Filet mignon steak, gourmet plate, good filet-o-fish (Aw, yeah)  
I don't need a gun, beat a nigga ass, I can use my fist (Aw, yeah)

One deep (Bitch)  
But my gun big as a bitch  
Air Force 1's compliment the fit  
.556 split a nigga wig (Boom)  
Don't give a fuck what you would've did
