

Bands

Comethazine

Bands-bands-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pockets
Come and get your mans-mans-mans
Before I up my rocket
Ouh, bands-bands-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pockets
Come and get your mans-mans-mans
Before I up my rocket

Pull up with a choppa, let it eat, aye
Yah, walkin' Jesus sandals on my feet, aye
Ouh, talk with shiny, gold all up on my teeth
Yah-ouh, and I'm rockin' Goyard and Supreme, aye
Yah, pull up with the choppa, watch y'all freeze, ouh
I've got a shooter and he gon' take off his knees, aye
All they take his two shots, watch your body drop
Bitches on my dick cause I skrt off the lot, aye
Sketchers on my feet but I'm a rich guy, yah
Cannot fuck with hoe cause they be picking sides
Ice-ice-ice, that's my neck talkin'
Ouh, and I'm rocking Goyard and Supreme, aye
(That's that check)

Bands-band-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pockets
Come and get your mans-mans-mans
Before I up my rocket
Ouh, bands-bands-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pockets
Come and get your mans-mans-mans
Before I up my rocket
