

Complaining

Comethazine

Grow up, nigga
Mmh, yeah

She complaining 'bout her nails and I'm about to get mad
MP4 McLaren, got them staring out they ass
Give a fuck 'bout what you wearin', what you wearin' ain't swag
Some shit you never seen, I rock the shit you ain't had
You a broke baller flexin', but you sparing all your cash
I brought my bitch to the club, everybody staring at her ass
Ain't nobody in the party ass comparing to her ass
Smokin' grandma cookie thraxx and I'm not sharing so don't ask

M4, hm, green beam
Hench Mafia, the dream team
Pockets heavy as sumo, you a bitch but only you know
Shoot first, ask questions last, don't ask me why I shoot though
h
Kickin' shit everyday, every way, not talkin' judo
Your bitch sent me naked pictures, she must not care who knows
Sippin' lean outer space, I just bought this pint from Pluto
My bitch buy her own shit, but she said "I'll pay for you though
h"
Speedin' on the highway, tryna race another dude though
Talk tough on the net, but what the fuck you tryna do though? (Bitch)
