Comethazine

Ayy, bitch  
Got a death wish, death wish, ooh  
Ayy, bitch  
But don't slap me, hoe  
I got a death wish, bitch I'm countin' dough  
She all up on my dick  
That's what she want me for  
Then she want some [?], but fuck you

I got a death wish, a death wish, bitch I got a death wish  
Homeboy you gon' die if you fuckin' touch my necklace  
Ooh, ooh, don't touch my necklace  
Ooh, ah, don't touch my necklace  
I got a death wish, a death wish  
Homegirl, she do desparate  
She all up on my dick 'cause she know a nigga flexin'  
Hey! [?]! Yeah bitch, I'm flexin'  
Bitch, bitch, ooh, ooh

I got a death wish, a death wish, Homegirl say I'm reckless  
I just smacked a nigga in the face, slapped him breathless  
Death wish, a death wish, bitch I got a death wish  
Ooh, ooh, ayy  
What's for breakfast, for breakfast  
Your bitch ate dick and lettuce  
She stumbled down the hill like Jack and Jill for the dick  
I got a bitch sprung, she gon' kill for the dick  
Run up on me wrong, you gettin' killed for that shit, ayy  
Riding with a sexy bitch, I'm lookin' hot  
I don't want your hoe, you can keep your damn thot  
Boolin' on the block with a freshly new Glock  
Ooh, ooh

I got a death wish, a death wish, bitch I got a death wish  
Homeboy you gon' die if you fuckin' touch my necklace  
Ooh, ooh, don't touch my necklace  
Ooh, ah, don't touch my necklace  
I got a death wish, a death wish  
Homegirl, she do desparate  
She all up on my dick 'cause she know a nigga flexin'  
Hey! [?]! Yeah bitch, I'm flexin'  
Bitch, bitch, ooh, ooh

I got a death wish
