

## Derek Jeter

Comethazine

Single life for me because I chose to be a cheater  
D-Dolo when I slide, I pull up, just me and my heater  
My bitch runnin' from my pitbull, like he gon' eat her  
Your bitch pussy dry, before you fuck you gotta eat her  
W-Why you doin' that? Shit, I'm not gon' do neither  
I just get the neck satisfaction, guarantee her (That's right)  
Lips on my dick right now, so you can not see her  
Smoke-a-smoke a baseball bat, ball like Derek Jeter (Yeah)

Ticket on the two seater, 'cause I didn't pay the meter  
Lil' bro hit the whippet too damn hard and had a seizure  
Yes I really did it, literally I'm an achiever (That's right)  
Rolling up some stanky, I got dookie on my finger (Oh yeah)  
Really made her leave, 'cause now I nutted, I don't need her (No)  
She's outside right now, I can see her  
Her Uber finna slide now, he better not leave her (Oh yeah, no)
