Find Him!

Comethazine

Look for his ass, can we find him? (Find him)
Spotted him runnin', send shots from behind him (Boom!)
This little beam at his eyes, it'll blind him
Clips like a movie, but you can't rewind 'em
My last bitch was cute, but my newest bitch thicker (Yeah)
Eat nuts out my bar, and call that a Snicker (Bitch!)
Hook that boy up like some bait, I'm a fisher
Cook him up like fish fillet, then eat dinner
Look for his ass, can we find him? (Find him)
Spotted him running, send shots from behind him (Boom!)
This little beam at his eyes, it'll blind him

Eat nuts out my bar, and call that a Snicker (Bitch!)
Hook that boy up like some bait, I'm a fisher
Cook him up like fish fillet, then eat dinner

Knock off a cracker for callin' me nigger (Boom!)
He dirty and dingy, and smell like a Swisher
No features, I'm better alone, check the stats (Stats)
69 niggas, and all of 'em rats (Rats)
He said he gon' get me, don't trip off of that
Shot up his whip, now he stuck with a flat (Boom!)
Hit a home run, made him run to his house
Got niggas that posted, scopin' it out
He only got two 'cause he won't close his mouth
Tough talk, we got to gun him down (Bitch!)
Gas so loud, that I smell like a sound (Bitch!)
And I smoke like a pound so don't turn it down (Bitch!)
