

Fuck Errbody

Comethazine

Grow up, nigga

Just left the lot, skrrt'd away with two seats
For the price of this bitch could have skrrt'd away with two Jeeps
I was just broke, nothin' to eat, dusty sneaks on my feet
So bitch, why the fuck would I be cheap? (Bitch!)
Smokin' dope out this Jeep, now I'm bustin' it down by the B
Rushin' a kid with the beam automatic, tote keen for whoever speakin' on me
Dump the whole clip if I gotta, cause I got another one sitting right under the seat (Bam!)
When I drop Bawksee 3, I'mma fuck with the streets
Have to sit back and sleep while my money increase
Bitch I'm double OG, I can never be beat
No it's not what it seems, I will always defeat

Give a fuck 'bout her, give a fuck 'bout him
Cause neither of them give a fuck 'bout me
Shut the fuck up, I am trying to feast
20 a month for my new house, lease
Choker got me lookin' like a dog on a leash
Bitch I am a dog but I'm wild and free
AR-15, It'll blow out your teeth
Teach a young nigga how to go by the beef
Go buy some heat, then stay by your piece
Sag real low, that's a heavy XD
Balency' 43, these some heavy ass feet
Do heavy hits out the Chevy '03
Every clerk at Shell in the hood know me
Copped Backwoods, the bump on three
Get up on the 'Wood, then bump Hemp C

Ju-just left the lot, skrrt'd away with two seats
