Grow up, nigga

Ayy, Lamborghini, Countach all white, had to bleed out the guts inside

In a two-seat, bad bitch and I, just us, 'cause it's limited butts inside

Deadstock, CP3 13s, Air Jordan's and I bet you if I jump I glide

XD, tucked away, G-Star pants, slang dope in the hand

Get it off, flip it quick, do it fast, number one business man

Count some cash, nab some masks, count some cash, number one business plan

Eat some crab, eat some shrimp, eat some crab, number one fitness plan

Treadmill, run to the racks, do a lap, number one fitness man
