Me, broke, kinda like a ghost, non-existent  
Free-throw, when I bust a shot, I'ma hit it  
Freak ho, made me bust a nut, then she licked it  
Drive slow, saw the po-po, I don't want a ticket  
AK on the front seat, I don't wanna risk it  
AK turned his ass to lunch meat, now I need a biscuit  
I'm not a codeine fiend, I just like to sip it  
I had a codeine dream, woke up still drippin'  
Rest in peace to Pimp C, bitch, I'm still sippin'
