

Hella Choppers

Comethazine

What, I took the bitch I fucked the bitch she sucked my dick (sucked my dick)

I only fuck the new bitch can't fuck again

Bag and boots straight to the booth let's get it in (Ah)

I flip a brick I flip a brick I build a house aye

Gion Jeans twenty K up in my mouth

I need a rollie aquafina gotta flex (gotta flex)

Just took yo bitch, I finessed her for her check

Savage so we toss a little smoke (I'm smokey)

But I will only roll one type of doll, that's boofey

These niggas just know just how we go they don't know me

What the fuck you mean you copped some boof not some OG

My nigga we pull up and we blow (Ba Ba)

Nigga talking hella tough but don't want smoke

Wang Gang we aiming Euros at your nose boy

Pull up hella choppers el camino '94 boy

These niggas steady talkin like they know me, they don't

Pull up it's a shot with my forty and he gone

Might go blow a check up on the mortgage on my home

Might go spend a check up on like forty pounds of drugs

Forty days, yeah that's forty different hoes

Bust a shot, up at a pussy niggas dome

You like to talk alot, get that pussy nigga gone

I just copped some flats and I sold like hella stones what

Got hella choppers (got hella choppers)

Got hella choppers (got hella choppers)

Hella choppers (hella choppers)

What, I got me hella choppers

Hella choppers, shoot out helicopters

We shoot out helicopters

Yuh what hella choppers
