Yuh, ayy, ayy, yuh, ayy, ayy

My pockets fat, hippopotamus  
I ball, bitch I never miss  
I shoot, in your hair I swish  
Got held down if he talking shit  
I'm like who is the cutest bitch  
Latina or Peruvian bitch  
I just took her brain  
Now she's acting like a stupid bitch

My pockets fat, hippopotamus  
I ball, bitch I never miss  
I shoot, in your hair I swish  
Got held down if he talking shit  
I'm like who is the cutest bitch  
Latina or Peruvian bitch  
I just took her brain  
Now she's acting like a stupid (Bitch!)

I do not take breaks, my trap be steady moving- ayy  
Lambo got quick brakes in case I go fast have to use them- yuh  
Speaking on my name (No) I might have to do 'em (BOOM!)  
Pull up bust a shot, one shot that hollow going through 'em  
In the club I made it rain, know I had to do it  
Lately I've been cashing with no budget goin' stupid

And your auntie gave me brain (come here)  
Knew she was gon' do it, ayy  
Knew it was a wrap when she told me she like my music  
I just bought a pound of dank, I cannot wait to use it  
I smoke a lot of weed, muhfuckers think that I abuse it

My pockets fat, hippopotamus  
I ball, bitch I never miss  
I shoot, in your hair I swish  
Got held down if he talking shit  
I'm like who is the cutest bitch  
Latina or Peruvian bitch  
I just took her brain  
Now she's acting like a stupid (Bitch!)
